

IMPORTANT INFORMATION REGARDING COVID-19

While confirming your appointment by phone we will ask you a set of questions. The questions will be repeated, and your temperature taken, when you arrive at our office in order to ensure nothing has changed since the phone conversation.

To reduce the number of people in our reception area, only patients receiving treatment are allowed to come into the office.

All who enter our office will be asked to wear a mask except when undergoing treatment.

If you have any flu like symptoms, fever, cough, shortness of breath, recent loss of taste or smell or if you have been in contact with anyone testing positive for COVID-19 over the last 14 days, please reschedule your appointment.

Thank you in advance for your understanding and cooperation in helping us protect our patients and staff.
